# UPDATED: FALL 2016 KMT SCHEDULE

Dear Parents,

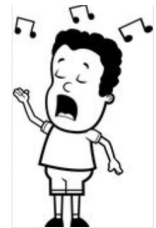

I hope everyone remembered to "fall back" this morning and got an extra hour of something! We have an incredible Children's Choir and lots of amazing voices! We have been listening to everyone for several weeks and had our auditions last Sunday to hear everyone one at a time. Below are the results.

Remember as always, attendance and participation are so important. We perform our Christmas program with all of the choirs in church on December 11th. It is sooner than you think! 🤪 Don't panic -- they are doing a great job and working hard on all of the music!

Here are the rehearsals that Michael has added for all choirs to practice together, so mark your calendars! Remember, we are adding this schedule as well as lyrics, music, and announcements to our website, so please make use of it to practice as needed from home if students lose their music or just need extra practice to feel comfortable. We are having so much fun with your children! I hope they are having as much fun as we are! Thank you for sharing them with us. What an honor and a blessing!
